Things we love from Lementine's...

8 WHAT KATY DID
What does Katy do? Well, she – Kate Halliburton – runs a wedding and events styling business, takes on interior design projects and has a shop, which we love. You'll find an inspiring jumble of gorgeous lavender products by Long Barn, handmade soaps by Devon Naturals and silk clothing by Bellaju, plus handmade children's toys. There's an artisan feel to the shop, and an attention to detail that feels intimate and personal. 4a Fore Street, Bampton, Devon. Call 01398 331689; whatkatydoes.com →
